Festival

„ASTI GAISĀ!”

Dear Daugavpils and the neighboring county and parish leaders, cultural figures, music and art school students and teachers, mainstream teachers and students, everybody! All who love to enjoy the summer, on the flight and want to get a positive mood!

We invite you to participate in Kalkūne parish festival "ASTI GAISĀ!" which will take place on July 14, 2013 Kalkūne.

Main topics: air, flight, mid-summer, a positive attitude to life and art in the air, flying music. Participants: local residents, visitors from neighboring countries and provinces, art and music schools. All can take part individually and with groups. There are no restrictions on age

The program of Festival includes:

- Flying objects Competition (kite, flying serpent, the compositions of balloons, model aircraft, paper airplanes, flying saucers, garlands of flags and other flying objects). Rating by categories: originality of composition, aircraft weight and size of the object flying colors.
- Aircraft competition
- Grīva aerodrom demonstrations, airshow.
- Artists workshop and exhibitions, workshops, open-air outdoors.
- Cheer with a "soft-foods".
- Concert. Musical and dance performances.

You can participate individually and collectively. There is no age limit. All participants will be awarded!

Festival "TAILS AWAY!" Regulations and application form will be on display www.kalkuni.lv

* ASTI GAISĀ - (from Latvian) tail in the air or in a figurative sense "to hold the tail gun!"
